### Alberta Education Assurance Survey Summaries

October 20, 2021

## Background

The Alberta Education Assurance Survey replaced the Accountability Pillar surveys in 2021. Many of the measures overlap with the previous survey and some measures are new (indicated in the summaries). Surveys were administered to: Students in grades four, seven and ten; Students in grades four through nine (small schools); Parents of students in grades four, seven and ten; and all Teachers.

Each year, these results are used by schools and the school division to develop our Assurance Plans and school goals found on each school's website.

## NEW Alberta Education Assurance Measures Results for Medicine Hat Public School Division

This year, Alberta Education has shifted from an “accountability” model to an “assurance model. This shift has created three new measures for schools and school systems to use in understanding how to best serve their learning community. As these are new measures, year over year data does not yet exist. For now, we can compare ourselves to provincial averages and across our school division.

The three new measures are highlighted on this page:

**S.1 Student learning Engagement:** Percentage of teachers, parents and students who agree that students are engaged in their learning at school.
